- Keenness to work may override obedience.
- Rides on a vehicle or motorbike.
- Interested in stock and going around them in an enclosed area.
- Works according to natural ability.
- Handler needs to be on foot.
- Short practice sessions.

Well Started

- May be unsettled in strange places
- Confident on a small mob. May not handle a big mob.
- Makes a few mistakes.
- Reasonably obedient depending on level of desire.
- May need a while to settle when working.
- Brings small mobs of stock towards handler in easy situations.
- Learning to drive stock but sometimes goes to the head of the mob.
- Needs firm hand and encouragement.
- Can be worked from a bike, horse, on foot, or when settled, partly from a vehicle.
- Needs time to bond with new handler.

Trained and Experienced

- Mature in appearance.
- May be unsettled in strange places.
- Must have at least 12 months experience working on mobs.
- Acceptable level of obedience.
- Keenness to work and nature will depend on genetic make-up.
- Yard dogs: keen to force when required.
- Needs time to bond to new handler.

NOTE: Time taken to bond with new handler may be a minimum of 6 weeks
