President's Report

Karen Stephens
President
Casterton Kelpie Association

As usual 2020 started as any other year with CKA committee members refreshed after the holiday break and keen to get back together to prepare for another big year.

First up for the year, was for the association to encourage younger members onto the organising committee and fulfil our 'succession planning' drive and ensure we had continue growth on the committee – we were thrilled to appoint Rob Pilmore as Chairman of the Working Dog Auction Committee, Samantha Roder as Treasurer and Sally Goodwin in Catering. We also welcomed Rachel Jamieson to the role of CKA Secretary.

It was followed by the confirmation of our new 'Naming Rights' sponsor with CopRice coming on board to support our community event. Whilst this year's event has been cancelled CopRice are still keen to support the Casterton Kelpie Association into the future and we sincerely thank them for their support.

But by mid-March we knew we were in for some challenges with the running of our annual June event and for the first time in the history of the Australian Kelpie Muster we made the responsible decision to postpone the event until late October. As the Covid-19 pandemic continued to unfold it became clear to the committee that our 2020 event so not going to be held and that we would concentrate on 2021 and put all our energy into preparing to celebrate our 25th Event Anniversary.

Whilst the committee is aware that the event is important to our community and more broadly the region and the cancellation has been a great disappointment to many, any decision was totally taken out of our hands.

The committee continued to look for ways to could engage with the thousands of disappointed visitors and decided to conduct our Annual Fox & Lillie Photography Competition this year - Online. We had a fantastic number of photos entered, with the judges having a hard time choosing winners in each category.

We had entries from all over Australia and one all the way from Slovakia in central Europe which in the modern digital world is not that far away. The Elliott Family from Byaduk submitted a series of 40 photos all with captions, for which they received a "Judges Award". But our very clever Secretary Rachel turned the photos into a video and posted it to our Facebook page which reached an amazing 11,959 people and had 1,222 post engagements and 50 post shares.

Whilst we haven't had an event this year our sponsors have been very supportive and encouraging as we navigated our way through the pandemic and its outcomes. For us to continue to run this event we need the financial support of each sponsor, so even though we didn't hold our event we thank those that continued to support us through thick and thin, your commitment to our community group is sincerely appreciated.

President's Report

To each member of the Committee - your commitment to making this wonderful weekend happen is an honour to be a part of, thanks for the laughs along the way and for taking up every challenge and pulling together as a team. I sincerely thank you one and all for your unbelievable dedication, energy and commitment to our event, the promotion of the kelpie and our community.

And here's to 2021 and our 25th Event Anniversary!!

Cheers

Sponsor's 2020

The Casterton Kelpie Association is proud to partner with a number of sponsor's that ensure the continual growth of the event and promotion of the Casterton community on the world wide stage.

We sincerely thank each and every one of our valued sponsors, as without their financial or kind-in support this event would not be possible. In particular, our Naming Rights sponsor CopRice and the Midfield Group, Vickery's, Portland Aluminium, Australian Wool Innovation, Bayer, ACE Radio, and ProWay for their corporate sponsorship.

The Glenelg Shire Council continues their sponsorship for the Australian Kelpie Muster each year through a Triennial Grant for which we are truly grateful. The assistance we receive on such matter as compliance is invaluable and we sincerely thank you again this year as we weaved our way through the Covid-19 restrictions and requirements.

As usual all of our local businesses were ready to come on board again and offer their services – so we thank the following local businesses for their commitment and support – the Casterton News, Glenelg Veterinary Clinic, Karingal Haulage, Smith Transport and Casterton Plantation Contractors.

This by far has been are most successful post everyes, a win in 2020!!

Annual John McGrath Volunteer of the Year Award

In 2015 we lost one of our most precious volunteers John "Cheify" McGrath.

The Casterton Kelpie Association stuck this award to recognise the significant contribution John made to the success and volunteering patronage of the Australian Kelpie Muster over many years.

John was a unique individual who was able to bring out the best in everyone, galvanise volunteer effort and pride, harmonise community volunteers whilst maintaining a productive, rewarding and enjoyable experience for all.

John was reliable, tireless, driven and held high expectations for our event and the quality of each activity or product that built and maintained our reputation. He strongly believed that the quality of what the event was able to deliver ensured Casterton was recognised on the regional, state, national and international agendas as 'Birthplace of the Kelpie' and home of the 'Australian Kelpie Muster'. The award recognises the selfless and dedicated contribution of volunteers who consistently support our event, forming enduring friendships, growing our event and building a better community.

Recipient for 2019 - Don Sims has supported CKA for many many years and can be found selling raffle tickets for CKA for a number of days leading into the Kelpie Muster weekend – he loves meeting all the visitors and catches them as they enter the local supermarket – making thousands of dollars for the association.

On Sunday, Don can then be found at Island Park from early in the morning until the Dog Bowl finishes once the Working Dog Auction starts – for his character and dedication to the association we are happy to award him the 2019 John McGrath Volunteer of the Year Award.

Shirley Foster (2009)	Brian Burns (2019)
Karen Stephens (2010)	

Brian Burns was awarded a Life Membership to the Casterton Kelpie Association at the AGM in 2019. Brian has been a member of the association since the inception of the Kelpie Festival in 2001 and has been a hardworking volunteer ever since. Brian is also Co-Ordinator of the Kelpie Dash which every year sees the most entrants of any event, with some years over a 100 kelpies lining up for the 50 metre dash to the finish line. We sincerely thank Brian for his sense of humour and commitment to the Casterton Kelpie Association.
