Dolly's 
Dream

LOT 1: Bert the Working Dog by artist Tessa Dodd

Median – Wax and Oil

All proceeds will be donated to Dolly's Dream

Dolly's Dream was created by Kate and Tick Everett following the shattering loss of their 14-year-old daughter, Dolly, to suicide, after ongoing bullying. Kate and Tick's goal is to prevent other families walking this road. They want to change the culture of bullying by addressing the impact of bullying, anxiety, depression and youth suicide, through education and direct support to young people and families.

Dolly's Dream is committed to changing the culture of bullying by addressing the impact of bullying, anxiety, depression and youth suicide through education and direct support to young people and families.

Dolly's Dream acts as a voice for those who cannot speak for themselves and create change by:

- raising awareness about the serious issue of bullying and its devastating effects
- providing assistance to and supporting affected by bullying
- educating the community about bullying issues and advocating for bullying laws and regulations
- delivering information on ways to help prevent bullying and cyber bullying in communities
- working to change cultures and prevent bullying through a variety of educative approaches

Pups (Lots 54 to 65) will be demonstrated at 9.30am and 12noon.

Eukanuba™

THAT'S A EUKANUBA™ DOG

Nutrition that helps fuel your dog's performance

Working dogs need high quality nutrition to help fuel and sustain their performance throughout the day. A diet with high quality protein is important to help maintain and rebuild muscle integrity, in-fact around about 30% of this protein is used to help maintain a healthy skin and coat.

The diet also needs to be enriched with omega 3 and omega 6 fatty acids to help with the structural and barrier properties of skin and provide a shiny coat. Working dogs also need a diet to help minimise oxidative stress and add support to the digestive system to help them perform at their best.

Eukanuba's™ Premium Performance Sport and Exercise are designed to meet the needs of working dogs, and is now made in Australia. With added levels of omega oils, digestive support and added glucosamine and chondroitin*, Eukanuba™ is providing tailored nutrition to help Australian working dogs achieve their best.
